## GROUND TRAINING

### Step 1: ATPL Theoretical Test

This stage is usually conducted online during airline selection process. You can expect 30 questions in 30 minutes, covering all ATPL topics. Please Review your ATPL subjects before taking your training day with us.

- Test your ATPL knowledge in real conditions

Duration: 30 minutes

### Step 2: Group Exercise

The group exercise in an airline selection, assesses soft skills such as teamwork, communication, and decision-making.

- Real-type airline subjects
- Group debriefing

Duration: 140 minutes

### Phase 3 & 4: HR & Technical interview

The **HR part** focuses on motivation, personality, and cultural fit within the airline. The **Technical part**, led by an experienced airline pilot, tests knowledge on ATPL subjects

Develop expertise in explaining ATPL topics

- Focus on your strengths & weaknesses
- Work on your body language
- Improve your communication skills

Duration: 120 minutes
